# LOFT's full furnishing service

Whether you're starting fresh or upgrading your home, LOFT makes it easy to create a home that reflects you - one item or a full fit-out at a time.

## Delivered.

We can be flexible to your delivery requirements. Whether you have a preferred date or ASAP.

## Installed.

We can build furniture for you, saving you time and hassle.

## Removed.

We can reliably remove any furniture packaging and old items of furniture, with care and attention.

## Recycled.

We have in-house recycling hubs. We operate a 0% landfill policy on metal, plastics, cardboard, wood and mattresses.

## How to order

Get furniture delivered quickly to your property. Place your order...
